### **Call for submission for “Shooooow!!! Your Short Animation!!!”**

<EN>

We are putting together a night of short animations ranging from stop-motion through to live animation. We are interested in any animation from 5 second clips through to 10 minuet movies. We wish to create a diverse flow of works, which will run for around 4-5 hours showcasing a “patchwork quilt” of movies. We are interested in seeing unfinished, forgotten, in progress, finished and known works in a bid to showcase a cross section of subject matter, approach, vision and realization. This is a great opportunity to have your work seen by a very mixed audience and to help us develop an interesting and engaging film experience.

To submit simply send a quicktime (PAL please) **until 7. November 2011 18:00h** with a copy of the submissions form filled out in full to the following email address :

**animationfestival@shoxxxxboxxx.com**

(please use any file-hosting service, like mediafire, megaupload, wetransfer, etc.)

All artists showcased will be listed in our promotional material and with permission submitted films will be included in a promotional DVD, which will be on sale at the event.

If you know anyone who might be interested in being involved please forward information this to them!!
